

## Product Catalog

### Part Number: TTC-D32-SCIF-001

**Dual 32" commercial LCD monitor and 7" touchscreen remote**  
*Includes all mounting hardware, 20' power extension cord, 2 HDMI cables, 25' network cable.*

#### Features:

- Customer scalable time zone template database, display up to 18 time zone locations.
- WIFI and speakers removed, USBs removed or epoxied sealed closed/inaccessible.
- Included first of its kind patent-pending touchscreen remote with integrated smart search feature.
- Search from a database of 200,000 cities and US military bases worldwide.
- Our proprietary software automatically loads time zone offsets, daylight savings settings, and precisely centers location labels/date labels.
- On-screen programming instructions guide you through each step of the configuration.
- Save, edit, and recall almost unlimited configured templates.
- Color changeable time, label, date, and backgrounds for areas of interest or concern.
- Customize your display for time and date settings for each time zone individually: e.g. long date vs. short date format, seconds vs. no seconds displayed, and much more.
- Commercial grade, certified 24x7-hour rated displays allow for uninterrupted operations.
- Configure time zones in a matter of minutes as opposed to hours.
- TAA compliant
- Energy Star Rated commercial monitor.

Product Info (LCD)			
LED-backlit	Yes	Width	57.4 in
Image Contrast Ratio	1100:1	Depth	2.2 in
Viewing Angle	178°	Height	16.9 in
Brightness	400 cd/m2	Weight	23.80 lbs
Nominal Voltage	120/230 V	Wall Mount	Yes
Frequency Required	50/60 Hz	Min Operating Temperature	32 °F
Power Consumption Operational	60 Watt	Max Operating Temperature	104 °F
ENERGY STAR Certified	Yes	Humidity Range Operating	10 - 80%
ENERGY STAR Version	7	Warranty	2 years
